

Lyminster Primary School's Sport Premium Grant Action Plan 2021-2022

Total allocation

PE funding allocated; two tranches (£10,360 & £7,400) plus carry forward from August 2021 (£15,575.61) total (£33,335.61)

Key achievements to date:	Areas for further improvement and baseline evidence of need:	
Swimming lessons restarted this year. Following on from a swimming survey sent out we sent the children from year 3 and 4 that were not able to swim. Next year we will continue with children in the new Year 3 class following on from a new swimming survey.	Parent's swimming survey	
Meeting national curriculum requirements for swimming and water safety We surveyed Parents to gain this information; of 30 Year 6 children we only received 3 responses, this was the figure used to calculate the results	Please complete all of the below*: based on the data provided by parents	
What percentage of your current year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	66% (third person was yes but not consistently.)	
What percentage of your current year 6 cohort use a range of strokes effectively (for example, front crawl, backstroke and breaststroke)?	66%	
What percentage of your current year 6 cohort perform safe self-rescue in different water-based situations?	33%	
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?
